## EDUCATION

**University of Washington – Seattle, WA**  
*B.S., Computer Science*

**September 2024 - Jun 2027**

- Coursework: Data Structures & Algorithms, Fundamentals of CS I & II, Hardware & Software Design, Intro to CS 121-123 (Java)

## EXPERIENCE

**Digital Craft SEO: Link**

**August 2025 - Present**

*Web Developer*

- Lead web developer responsible for creating and maintaining the company website using modern web technologies (HTML, CSS, JavaScript).
- Build, deploy, and manage client websites, ensuring mobile responsiveness, SEO optimization, and performance.
- Collaborate with design and SEO teams to implement visually appealing and user-friendly web interfaces.
- Troubleshoot and debug technical issues while deploying updates and implementing new features based on client feedback.

**Teacher's Assistant**

**September 2025 - Present**

*CSE 190B*

- Supported instruction for CSE 190B: Current Topics in Computer Science by leading sections and providing individualized guidance to 40+ students.
- Collaborated with faculty to design and evaluate assignments, ensuring alignment with course learning goals.
- Strengthened communication and leadership skills by mentoring students, providing feedback, and fostering an inclusive learning environment.

## PROJECTS

**Portfolio Website**

**Aug 2024 - Present**

- Developed, deployed, and maintain a full-stack portfolio website showcasing personal coding projects, outside life, and contact features, using raw HTML, CSS, and JavaScript for clean, efficient design.

## SKILLS

- **Programming & Development:** Back End and Web Development, Telecommunications, Object Oriented Programming, Linux Development, Data Structures & Algorithms, Version Control, Debugging, Unit Testing, Software Testing, Java, JavaScript, HTML, CSS, Python
- **AI & Research:** Artificial Intelligence, Social Media Marketing, GenAI/LLM Systems, Deep Learning Frameworks, Machine Learning Fundamentals, Curiosity Towards Technology, Open-source Participation

## VOLUNTEER & LEADERSHIP

**Scouts BSA**

**May 2013 - Mar 2024**

*Eagle Scout*

- Went through Cub Scouts and Boy Scouts since the age of 7, accomplished the highest level of Eagle Scout
- Learned leadership skills as the leader of my troop for 6 months, woodworking, welding, and metalworking skills, and outdoor practical skills like knot-tying and camping
- Designed, led, managed, and financed the construction of a 28-foot bridge built from scratch for a non-profit camping site for my Eagle Project.

**White Center Food Bank**

**Aug 2023 - May 2024**

*Food Bank Volunteer*

- Volunteered at White Center Food Bank, a non-profit organization dedicated to ending hunger in the White Center area to those who "need it"
- Worked with people from my community to address the issue of hunger by taking donated food and distributing it to those who could "make the trip out."
